

Dear business associate

Yet another year of “new normal” is drawing to a close. At Moalem Weitemeyer Bendtsen, we look back at a 2012 in which we have had our fair share of disappointments and difficulties, but we are also sealing the book of a year with fantastic victories for our clients and major achievements for our law firm. In 2012, we have managed to service our clients in an increasing number of Denmark’s most complex and demanding public and private M&A deals, and we have advised underwriters, issuers and controlling shareholders in successful public offerings. We have also advised clients in connection with high profile multijurisdictional restructurings and with groundbreaking capital markets and corporate dispute resolutions. Reputable international observers have recognised our merits and have in 2012 awarded us with eight independent awards so far for our advice rendered within e.g. M&A and capital market transactions. The arrival of three new partners has strengthened our core areas, just as we have added further depth to our technology, IPR, employment and data privacy capabilities. This year, we have decided to once again donate an amount to Børnenes Kontor (www.boernenes-kontor.dk) that supports Danish children from indigent families. We look forward to working with you again next year.

Happy Holidays and Happy New Year!
