

Issuers' interaction with hedge funds

Monday 16 January 2012 8.45am

Moalem Weitemyer Bendtsen invites you to participate in a morning meeting on the challenges issuers face and may face in the interaction with hedge funds. From a legal angle, attorneys Christoffer Galbo and Dan Moalem will focus on the on-going communication and the communication in connection with a takeover. Specific instructions on precautions and updating of takeover manuals etc. based on practical experiences will be given.

Programme:

- 08.45-09.00** Registration and breakfast
- 09.00-09.30** On-going communication with hedge fund managers
- 09.30-10.15** Communication with hedge fund managers and takeovers
- 10.15-10.30** Rounding and summary

Practical information:

The course is primarily relevant for in-house counsels and IR managers

Registration and questions:

Please register with Bonnie Nottelmann (bno@mwblaw.dk) no later than 6 January 2012 at 2pm.

Address:

Moalem Weitemyer Bendtsen
Advokatpartnerselskab, Amaliegade 3-5, 3rd floor, DK-1256
Copenhagen K.

Christoffer Galbo is partner and has formerly worked as an investment banker with Deutsche Bank in London. Christoffer has an MBA from Insead and has considerable experience with, and insight into, complex financial aspects of M&A and capital market transactions.

Dan Moalem is partner and is an active writer and lecturer within the field of capital market law, among other things, as the co-author of Werlauff and Moalem's The Annotated Danish Securities Trading Act (in Danish: Værdipapirhandelsloven med kommentarer). Dan has considerable experience with M&A and capital market transactions.

We look forward to seeing you!

Moalem Weitemyer Bendtsen
